Eternity Is Closer Than You Think

There seems to be an increase in talk and teachings in these years about interaction between earth and heaven. There are books and movies about people going to heaven and returning, others go before the throne of God for changes via court decisions and still more who tout experiences in prayer. We do note that a few biblical characters, such as: Enoch, Ezekiel, Moses and Elijah, Paul and John moved between heaven and earth. One wonders how close are heaven and earth?

I recently attended the wake and burial of my mother who lived to within weeks of being 96 years old. Her life was a long journey, in comparison to others, with many trials and triumphs. She lived through the Great Depression, WW2, and immigrated to America in 1954 with 4 children and had another born in the USA. She had five children, 19 grandchildren and 34 great-grandchildren. Not to mention 60 plus years of marriage. We love our mom and have great memories. She came to know the Lord Jesus later in life. But now being alive in heaven, I wonder what she would say to us.

Have you considered that heaven may be in another dimension, closer than we imagine and very focused on what happens on earth? Are the great cloud of witnesses (Hebrews 12:1) really watching and cheering the Church on? I am not sure.

Yet, I do know this. Eternity awaits us all and at this point most of the population is lost and headed to hell. Many entire nations claim less than 1% Christianity. We have works in Thailand, Italy, and Quebec that all have less than a percentage point.

This is why we at World Outreach Center do international missions. Jesus, who was from heaven and the Father's envoy of love, emphasized the Great Commission to **"Go into all the world ..."** so emphatically. The effort of bringing the gospel message of the Cross and the Kingdom of God is in our hands. It is the bridge for all to transfer from earth to heaven for eternity. In a busy and controversial world, let us remember our priorities because **"Eternity is closer than we think."** →

*"He will proclaim peace to the nations,
His rule will extend from sea to sea..."
Zechariah 9:10bNIV*

Dear World Outreach Family and Friends:

Thank you once again for supporting our work among the nations. These days we find ourselves with so much to do and so few hands with which to do it. If you listen to the media, you will hear the reports of controversy and fear. But God is moving mightily through his workers, and the harvest is coming in. That is why we are praying for laborers as Jesus commanded (Matthew 9:38).

We have requests for short-term help and new missionaries in an increasing amount. The harvest is ripe around the world. All the shaking and uncertainty is causing people to seek answers. Yet volunteering for missions seems to have declined. Who will tell them about Jesus? With your help, we will.

This November 3-5, 2017, we will have our second Mult-church Missions Conference. It will be a great update on the state of the world and a call to **"Go, Send, Support"** and make a difference. We encourage you to pray about attending and meeting some of your missionaries in town.

Enjoy the contents of this newsletter. There are encouraging updates and testimonies.

God's richest blessings upon you,

The World Outreach Team →

Nick and Jade Klein
Davao City, Philippines

Nick Klein has been serving in the Philippines for the past seven years, and he was blessed to meet his wife Jade and be married in 2016. Together Nick and Jade work in Davao City to show the love of Jesus Christ to Filipino children. They have a specific interest in reaching the multitude of orphans and street children, as many kids in the area come from dysfunctional families and broken homes.

Nick and Jade currently partner with a local church where Nick serves as Children's Pastor. They help facilitate a feeding program that serves 45 children per week.

In March, they began the second season of AWANA Kids' Club for evangelism and discipleship.

As Nick and Jade faithfully serve these precious kids, they have experienced an increasing need for reliable transportation. Philippines is blessed with intense rainy seasons, and the family travels over an hour via public transportation for each of their meetings. (See side column for giving instructions.)

New Missionaries have joined the WOC family in the last 6 months. Some have been serving on the field for many years, some are just preparing to go. Join us as we support them through prayer and encouragement!
