

Pray For Divine Appointments - Testimonies

All too often Believers are trying to get through a day without conflict, confrontations, or issues. The stresses of life have caused some of us to look for a "false peace" when people everywhere are lost and confused. They have no peace with God, and we carry the solution. Contrast this with Jesus' lifestyle described in Acts 10:38, "...how God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him."

Let me share two testimonies:

In September, we attended a conference in Pensacola, FL. During one of the sessions, my wife was intercepted while leaving the ladies' room and was asked to help a man minister to a lady in need. She ended up helping a prior graduate student cast a demon out of a woman with the voice and strength of a man. Joanne knew her authority in Christ and with a whisper from God, "You've got this", they subdued the evil spirit, cast him out in Jesus' name, and the woman was saved, healed, and freed. All this happened in a bookstore backroom at a conference during an interrupted return from a restroom.

Recently, my wife and I visited China to encourage some workers. While there, a Chinese husband and wife insisted on seeing me to share what happened 10 years ago concerning me. This is their story. The husband told me he was demonized and losing his mind, so someone took him to a restaurant where I would be. Resisting a voice inside of him to run, he was seated across from me. I said, "At the count of three the demon will leave in Jesus' name." I counted - he screamed - the demon left, and he was immediately baptized in the Holy Spirit. He said that I proclaimed, "This is normal." I vaguely remembered the event, but he went on to preach his testimony of Jesus setting him free with signs and wonders for the next ten years. Wow!

I share these stories to encourage you to ready your mind. Divine appointments are waiting for you. Just ask. The gospel still sets captives free! →

Dear World Outreach Family and Friends:

Thank you for being a partner to the World Outreach Center and its worldwide community.

We encourage you to keep remembering our pioneer workers across the nations. Your support in prayer and finances, and for some of you strengthening visits, makes an eternal difference in so many lives. We see the fruit. It's a ripple effect of one life touching many. God is taking our sowing and watering and adding amazing increase.

In this issue, you will hear about changed lives, some new endeavors and opportunities. Hopefully by the middle of next year our European Office will be supporting ministries and training for the harvest. Our WOC Missionary Retreat will be the third week of May, 2020 in Italy. Will you pray about adopting a family to attend and covering room and board? (Details inside.)

Together we are setting people free to know their God. You are greatly appreciated.

In Christ,

The World Outreach Center Team →

**Roberto & Paola Albano**  
New Vision Varese–Varese, Italy

Now is the time to preach the Gospel with a kingdom mentality and an attitude of being “seated-in-heavenly-places”. This is the response to the desperate cry that comes from an orphan-hearted generation—and that includes Italy.

The land of Leonardo da Vinci and Amerigo Vespucci is experiencing a deep void of identity due to the religious, economic, and social crisis. But God has a history of changing difficult situations into divinely ordained opportunity! In 40 years of serving this nation, we have never seen a more favorable time to present the good news to the heart of this people.

We are working on church planting in northern Italy and leading a discipleship program to help churches in this area. New Vision Varese is growing!

Our deep desire is to help the church in developing the gifts of the Spirit. We created a course that we are teaching in local communities. This one course is having a huge impact in recognizing and developing the gifts present in the churches.

The prayers of the saints are vital, and we really need yours! Please take a picture of Italy (and of Roberto & Paola) and put it on your refrigerator. Just mention this nation to God every day with a simple prayer–this will make a difference.

We love you in Jesus. See you soon! ➔

*“Jesus said to them, ‘Come with me by yourselves to a quiet place and get some rest.’” Mark 6:31 NIV*

Jesus recognized the need to “come away and rest” in his disciples. He still sees that need today. We, at the home base of the World Outreach Center, are fully aware of the day to day activities–ministry, teaching, family, health, finances, the list goes on–that all missionaries face. Through visits to the various locations of our missionaries, many calls, emails, and communications, we try to bring encouragement and refreshing to them on the field. Occasionally, we try to bring them together, away from their regular responsibilities, to spend time with each other, and receive instead of giving out.

**Our next retreat is planned for May 20-24, 2020 in Italy.** This retreat is open to all of our WOC missionaries. Our desire is to help facilitate the missionaries to attend the retreat. We would like to offer you the opportunity to be a part. **“Adopt A Family”** for room and board that will come to \$400 - 600 per family depending on size. **By adopting or sponsoring a missionary family, you would be providing a great blessing!** Assistance in their travel expenses would also be very helpful. If you would like to participate, please contact the WOC office at [woc.fortmill@gmail.com](mailto:woc.fortmill@gmail.com).

During the retreat, we plan to have times of worship, prayer, counseling, encouragement, lots of hugs and laughter, We will also provide activities for the children, as they also need refreshing! ➔
