Dear Friends and Family,

April 2011

Grace to you in the wonderful name of Jesus. I felt it would be a good time to give you a review on the last six months and updates on things to come. At times we can get so busy running, we don't thank God for all He has done and allowed us to join in on. We are blessed.

Internship

We took in a great group of interns from September - December 2010, and put them through the paces which included classes, local outreaches, and trips to Mexico and Washington DC. It was a fruitful time with a great reception wherever we went. During this time, our prayer intensive birthed something we never expected - a new initiative to Heidelberg, Germany (a sister city to Karlsruhe 35 minutes from our missionaries.). The prophetic word declared - "what starts in Heidelberg will spread through Germany and more."

2010 WOC Missions Interns

Canada Ministry

In January, Scot Ford and I took a wonderful ministry tour through some great churches in the Toronto area and Montreal, Canada. God really moved during the services and the people were very receptive.

Germany

Two weeks later, at the beginning of February, it was time to take a "spy out the land" trip to Germany. Three of us packed our bags and were gone. They called us the three wise-men coming to Heidelberg. Well, we were wise enough to obey God, but surprised at what He did. As we met with various leaders, God confirmed "yes," I am about to do a new thing. The city is opening to God. We need to pray hard because this is a wonderful, but spiritually dark place that needs an enlightenment. Yet, God cares.

Mexico

We came home to only go out a month later back to Juarez, Mexico. This time it was a construction team led by Jody Roscoe, and a day of evangelistic outreach to adults and children. It was “Mission Accomplished” as eight of us built, preached and spent time with the missionaries. Thanks to several supporters, we were able to not only fund the expansion of the children’s feeding center, but we bought our missionary friends Leo and Rita a beautiful new 5 string bass. A dream come true after his was stolen 15 years ago. After ministering to kids, churches, police and outdoor crowds, we came home safe – thank God.

Local Ministry

In the middle of all this, we experimented with some “harp and bowl” intercessory nights at the Open Door Café, and birthed a local outreach to senior citizen homes. One group is doing music. The other is using therapy dogs (thanks to Joanne). The worship team is really doing great! How cool does it get! (Note: we also through in a couple of trips to be with our dear friends and family in NY.)

Germany Again

So, a team of seven is off to Germany again in April. Two from New England, four from Fort Mill and our missionary, Nicolas Girard, is joining us from Italy. In the middle of all this ministry stuff, Rawan and Justin Shrum are having a baby girl in Germany – yeah!

Together

In a time when the world is being shaken, we can stay the course of ministering the gospel of Christ and the kingdom of God. Whether we go or support from home, we are in this together. Let’s be alert, strong and faithful. The rest of the year will include more outreaches to Europe, Mexico and Africa, while expanding our efforts in the USA. Our related ministries are going to Paraguay, South America and the Far East. Everything counts – everyone is important! Many of the missionaries in the field, such as Thailand and the Orient, are pioneering and bringing back great reports. It is not easy, but God is moving.

Thank you again for being a part of the World Outreach Center. Your prayer, friendship and support are vital.

Much love,

M. John Cava
