

The Father's Children

February - April 2019

Klein Family- Philippines

*Jesus said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven."
Matthew 19:14*

THANK YOU everyone for your prayers and financial support while we were on furlough. With all the traveling, driving for me (Nick), conferences, fellowships and visits for raising support; we were also able to get some rest and were refreshed by the Lord. During our stay in the states, we constantly heard from the Lord to **be still, wait on Him and that He is going to do a reset.** We trust God that He is going to do a reset in the work which He has called us to do here in the Philippines. We have so many things on our hearts for the Filipino kids but we feel that God is telling us to just wait on Him and seek His face.

As we are writing this, it has been almost two months since we flew back home. We are already settled and back to normalcy especially for Ava. We apologize for sending this update a little late. It has been over a month and we're still waiting for our internet service to be hooked up. Also, we still need to pay off our plane tickets and other travel expenses which is around \$4000. If the Lord is speaking to you to give and help us pay them off, it would be a big blessing to us. Thank you so much.

PHILIPPINES - Davao City

HAPPY 1ST BIRTHDAY AVA!

Our daughter, Ava turned one on April 2nd. A full year of life, all glory to Jesus! We did Ava's 1st birthday party with our Outreach kids on April 13th. We celebrated it with fun games, prizes, food and fellowship. Also, it was a great opportunity for us to reconnect with the kids. They were so excited when we told them that we will resume our Saturday bible study.

KIDS OUTREACH KICK-OFF

April 27th, Saturday. We're back with our weekly bible study. Yay! Continue to partner with us in prayer for these kids' salvation; that through these weekly meetings they will encounter the Lord and know Him intimately. Also, pray for laborers to work alongside Jade and I with the kids ministry.

Again, thank you for laboring with us in prayer, intercession and with your finances. The work in the Philippines could not be done without it. Please continue to pray for us as we do the work of ministry. Thank you again and God bless you all.

Love,
Nick, Jade and Ava Klein
